## *The Screening of the Brave New World, “Future By Design” June 2<sup>nd</sup> at the Lewis Family Playhouse*

### **FOR IMMEDIATE RELEASE**

**May 13, 2009**

**Rancho Cucamonga, California** – Open your mind to a new world filled with innovation and possibility in *Future By Design*. The modern-day Da Vinci is followed in this epic film screening of *Future By Design* at the Lewis Family Playhouse, June 2<sup>nd</sup> at 7:00 p.m. All tickets are priced at \$10; get your tickets today!

Designer Jacque Fresco imagines a world free from hunger and war where our collective focus is education and environmental sustainability. Visually and intellectually engaging, *Future By Design* is an exploration of one man’s vision of a future worthy of all people, technology, and beyond.

*Future by Design* shares the life and far-reaching vision of Jacque Fresco, who is considered by many to be a modern-day Da Vinci. Peer to Einstein and Buckminster Fuller, Jacque is a self-taught futurist who describes himself most often as a student of many inter-related fields. He is a prolific inventor, having spent his entire life (he is now ninety years old) devising inventions on various scales which entail the use of innovative technology. As a futurist, Jacque is not only a conceptualist, but also a theoretician, engineer and a designer. Enter the mind of an architectural visionary in *Future By Design*.

An intimate, 536-seat venue, the Lewis Family Playhouse is the crown jewel of the three-acre, 89,000 square-foot Victoria Gardens Cultural Center. The complex at 12505 Cultural Center Drive is conveniently located off the I-15 at Foothill Boulevard, as a major anchor of Victoria Gardens. The Box Office is open Sunday from noon to 5:00 p.m., Monday through Thursday from noon to 6:00 p.m., and Friday and Saturday from 10:00 a.m. to 6:00 p.m., with free parking available.
